I've accepted all of the text changes that were in Mike Boydston's latest version, but left in comments related to questions of whether or not to add other information. I'm waiting on Chris to add some slides to the power point before I send out a very draft version.

Thanks,

Claudia

Monica – Here are my additional comments and suggested edits, made in the same document with Bruce's and Chris's edits. Mainly I am suggesting that we look at more direct responses in several places. I will be in tomorrow and then out until Monday if anyone has any questions about my recommendations. Thanks.

**Subject:** Draft responses to Ute Tribe Principles for U&O FIP

Hi Chris, Rick, Bruce and Mike – Region 8 has drafted some responses to the Ute Tribe's principals regarding our draft proposed U&O FIP that they noted during the calls with OMB and with OAR/OITA this week. We also added a couple of other topics we will want to cover when we meet with the Tribe. As of late yesterday, Callie had not heard back from Jeremy Patterson about a date to meet with him and the Business Committee/tribal reps. She asked that I call Jeremy today and inquire about a date. I left him a message, but have not heard back yet.

Not sure who all is in next week. I'm only in Monday and Carl is out all week. Can you all provide review/input/other topics by COB, Wednesday, November 23<sup>rd</sup>? We may have the week of November 28<sup>th</sup> to work on this, but we won't know until we hear from Jeremy.

Have a great weekend.
